Hello Lt. Barden,

I am helping organize a quarterly meeting with the Jewish Federation, ADL and Chief Best. At the last meeting they requested a brief from our Intelligence Section about current threats or anti-Semitic activity and talk about the increased anti-Semitism worldwide and how to address those concerns here in Seattle. It would not be long, 5-10 minutes, since the whole meeting is an hour. This meeting is scheduled for March 31st at HQ from 11-12PM. There should be about 8-10 people in attendance. Let me know if this is possible.
