Good Afternoon,

Confirming that your schedule is Tuesday through Friday for your Tars. Exception being that last Friday was a day off and this week you are working Monday through Thursday ? You can send me what you want me to fill out other than that as far as OT and such. I know you had some watching the protests with Rik Hall.

Now that I think of it, you may have already done some of your Tars as I haven't checked yet.

Let me know at your convenience.
