Doug,

Tyler left the patrol on Friday and now works for Amazon in their Cyber Security Analysis Unit (I think that is the name). I told him he should request it changed to his amazon email but not sure when he will.

Jeff Otis is still the captain in District 4 (Spokane). Not sure why that is not going through it should be fine. He may have an issue on his end (oversize mailbox). Let me know if you get it again and I can look into it.

Thanks,

Scott Jarmon
