I'm hot on the trail. She may contact you directly. We'll see, but it is something the city can do.

Best,

Faye

Subject: signing contractors up for electronic transfer of payment funds

Hello Marilyn,

I was given your name by Christi Thompson as the guru who could make this happen. I have several contractors who have asked for EFT payment and I am trying to get that going for them.

If you could give me the required steps and means, forms, etc., I could get it started.

Or if you prefer to work this from start to finish yourself, Doug Larm at the Fusion Center would be your point of contact. This is his contact information. He oversees six to eight contractors who all wish to be paid electronically rather than by paper check.
