Hi Doug! I'm back in town, unfortunately. I had so much fun on the east coast. In fact, I plan on moving to Florida by the end of this year's summer. Seattle is not for me anymore.

I have decided to change my career for good. I'm currently helping a friend with his business, so I'm starting to see my most valuable skill sets. From there, I will choose a job that reflects those skills.

I'm so happy to be out of the law enforcement field. I cannot handle all of the politics that goes with it. I feel that I've made the right choice.

Anyways, we should get together some time again, especially now that I've plan on moving.
