Hi Sue, yes we should talk…Jeff is a sharepoint expert but does his thing for our HSIN website. He doesn't yet have Fusion Core access. We have to work out details with Advantage Factory.

Doug –

I spoke with Jeff today about SharePoint & Fusion Core. He said he is not an administrator on Fusion Core?! I thought he was running things for you on SharePoint? Do we have an internal administrator? Or does Advantage Factory do all that for you? Or is Doug King doing that?

We should probably talk a little about this….

thanks!!
