Does this affect me, or should I send it to Ken.

FOR DIRECT DEPOSIT
Please read and follow instructions (via email string) carefully.
PLEASE FILL OUT AND THEN TURN IN TO ME….repeat….turn in to me.
I will work with Fiscal and Finance to ensure processing of the form for all (assuming all want this; otherwise, if you desire to receive checks then disregard this email)

Doug,

The biggest caveat with these is that the vendor name and address have to match what is on the W-9, so please have your folks check the two and make sure. Otherwise, there will be hiccups.

Thank you and since this is all new to me, I'll be learning this process right along side you.

Best,

Faye

I have attached the form for each contractor to fill out and this form is for "ACH" electronic transfer only.

The ACH form will need to be approved by SPD at the bottom of the form, then the form is sent to me and I will set them up in the bank, when a payment is being processed by SPD in summit Acct/Rec please make sure it is entered an ACH payment

If they want to pay via "WIRE" and not "ACH" let me know it's much more costly for us

Hello Marilyn,

I was given your name by Christi Thompson as the guru who could make this happen. I have several contractors who have asked for EFT payment and I am trying to get that going for them.

If you could give me the required steps and means, forms, etc., I could get it started.

Or if you prefer to work this from start to finish yourself, Doug Larm at the Fusion Center would be your point of contact. This is his contact information. He oversees six to eight contractors who all wish to be paid electronically rather than by paper check.
