Hello again,

It looks like our trial is set to go as scheduled. I've heard nothing indicating that defense will be seeking another continuance.

I believe each of you should have your subpoena and interview transcript (if one was created), but please let me know if your current scheduled date/time does not work or if you have any questions.

Thanks,
Aaron

Hello all,

The trial has been continued to 9/9. The trial court is giving us a full 3 weeks (9/9 – 9/27) to make it work. I apologize for the delay.

Hello all,

I hate to keep emailing about this case, but unfortunately the 4/15 trial date ends up not working for a couple of our key witnesses. Thus, we are now looking at the alternative dates in July that I previously mentioned. So our potential trial start dates are 7/22 or 7/29. Please let me know as soon as possible if you have any unavailability between 7/22 and 8/7 or confirm you are available during that time period. I'm sorry to have to ask for a continuance, but we did call the case ready and were prepared for trial as scheduled for 3/11.

Thanks again,

Hello all,

Defense is now moving to continue the trial and wants it to begin the week of 4/15. This motion will be heard on Thursday (Feb. 28). [REDACTED]

[REDACTED]

Nonetheless, please let me know as soon as you can about days you are unavailable between 4/15 and 4/24. And just to be sure any days unavailable between 7/29 and 8/7. Dep. Kennison, let me know if I'm wrong but I'm pretty sure April is very unlikely to work for you.

Thanks,

Hello all,

[REDACTED]. Our readiness hearing is on 2/28. Trial will begin on 3/11 and our case will probably stretch into a second week.

Please let me know as soon as you can whether there are any dates for which you are unavailable to testify between 3/11 and 3/20. Please also let me know if there are specific days that would be better for your schedule. As we get closer to the trial date I will provide what I hope is a realistic schedule that takes into account preferences.

** Sgt. Muller, can you please forward this email over to Yakhour?
