CPT McDonagh…if ever you need assistance for criminal analysis or open sources, please let me know. I, and along with the Seattle Region_Information Sharing Analysis Center/SR_ISAC, stand ready to provide you with widest support in intelligence and crime analysis. As an FYI, based on your foundational support, ALL OF THE SR_ISAC ANALYSTS NOW HAVE SPD RMS ACCESS. Last week, all of the contract analysts received SPD temporary numbers and now have SPD email along with systems access. Further, this empowers SR_ISAC with DIRECT ACCESS into RMS for over 15 local law enforcement jurisdictions (because our northern UASI analyst has Everett PD, eastern analyst has Bellevue PD etc).

Should you need assistance, we are ready.
