Dear Mr. Hendricks:

The Clark County Sheriff is in receipt of your Public Records Request. This information and estimate of response time is required by law.

We are writing to inform you that if we discover the records you have requested, we will review them for applicable exemptions from disclosure and make them available to you. If we do not discover any records responsive to your request, we will inform you. If necessary, we may also inform you that we have notified third persons or agencies of their right to seek a protective order before releasing any documents responsive to your request. We may also ask you for additional clarifications if your request is unclear after a review of the documents we have or don't have.

We are waiting on a response from our IT Department regarding the metadata portion of your request and based upon other pending requests and availability of personnel, at this writing we are able to reasonably estimate that a response to your request will be available on or about:

October 18th, 2019

If possible, we will provide you with your requested material before that time.

For additional explanation of public disclosure regulations, please visit the Washington State Attorney General's public records page at <http://www.atg.wa.gov/obtaining-records>.

Sincerely,

Public Records Unit
