Dear Mr. Hendricks:

Our previous correspondence indicated that a response to your request would be available on or about October 18, 2019. At this time we must extend that date. Due to the volume and complexity of requests we have received, we require additional time to respond to your request.

We now anticipate a response to your request will be available on or about November 19th, 2019. We will make every effort to respond to your request before that date.

Thank you for your patience while we work to address your request. If you have any questions please contact our Public Disclosure line at (564) 397-2101.

Sincerely,

Public Records Unit
