Obey The Three Second Rule When Practicing

March 24, 2015

Dear Student of Revolution Golf:

Let's face it - even when we're practicing and there are no real consequences, we hit some pretty ugly shots

In today's video, Martin Chuck and his assistant Mike Krahe discuss an overlooked aspect of the mental and emotional side of golf that you can actually work on at the range. It's called the "Three Second Rule," and you will be shocked at how helpful it is.

Click the button below to use your mind to your advantage on the range and the course!
