Subject: SR_ISAC Weekly

For the week of 22-28 March 2015:

Maritime/Transportation:

- Continue with threat assessment for the Port of Everett
- Continue to work on threat assessment for Seattle City Light (federal guidelines mandate a vulnerability risk assessment in which the threat assessment is a portion)
- Completed DHS IP Gateway training (online portal for infrastructure protection)
- Conducted research regarding suspicious activity near the Centralia NG armory
- Continuing research on identifying criminal threat assessment against Port of Seattle, Port of Everett on oil shipping leasing
- Successful in coordinating information-sharing with Puget Sound Energy, Seattle City Light and Bonneville Power Administration on criminal activity/attacks against electric sub-stations/facilities for a regional threat assessment

Critical Infrastructure/Public Health/First Responders:

- Created new custom list on HSIN WA-IP site: annual events in Washington State
- Approved/validated 12 new users within HSIN WA-IP access

King County South/King County Sheriffs:

- Updated investigative database checklist
- Continued working on analytical summaries of top area pimps
- Continued address searches (identifying crimes in/around addresses) for Seattle City Light threat assessment

King County East/Bellevue PD:

- Created a timeline for Bellevue PD on a 1965 cold case
- Assisted with requests from Arizona (murder suspect) and from Massachusetts (traveling scam group)
- Provided DHS with details on interstate theft group (Romanian organized crime group)

King County West/SPD:

- Completed review of UW arson suspect

- Continued address searches (identifying crimes in/around addresses) for Seattle City Light threat assessment
- Continued analytical support to JTTF, WSP OCIU
- Completed information-sharing PPT presentation for CIS

Snohomish County RIG/Everett PD:

- Created weekly RIG bulletin
- Participated in ongoing series of meetings with detectives from local jurisdictions regarding several shootings in the Everett area
- Created three subject summaries on known 'shot-callers' within the two major gangs in Everett
- Continuing to work on subject summaries for Everett PD on known gang members active in the shooting and assaults of victims within Snohomish Co./King Co.

Other:

- All SR_ISAC analysts have Seattle PD RMS access....as such, Seattle CIS through the SR_ISAC has direct situational awareness of over 15 local law enforcement jurisdictions
