Grip The Club Like Ben Hogan

April 14, 2015

Dear Student of Revolution Golf:

I have a small bit of bad news: there's about an 80% chance your next shot is doomed before you even hit it.

In today's tip, Martin Chuck reflects on the great Ben Hogan, who emphasized that a proper grip is the "engine of the golf swing". Some four in five players grip the club improperly, but Martin has an easy fix for you if you are one of them.
