Community Response Group

SUBJECT: Resignation Effective December 1, 2020

I am submitting this memo to notify the department of my resignation, effective December 1, 2020.

I have accepted a job offer from the Renton Police Department and will begin working there December 1, 2020.

I have enjoyed working for SPD the last three years. I learned a lot, and am grateful for the training opportunities I've received, in addition to the on-the-job experience. I will miss many aspects of working for SPD. I believe I work with the best squad and sergeant in the department, and the decision to leave was not taken lightly. In the end, leaving the department is in the best interests of me, my family, and my career.

Thank you again for the opportunities and lessons provided to me over the last three years.
